The BMA/REE office renovation will begin the first week of the new year. **The office will be closed December 26-29** while the office contents are moved to the temporary location at Suite 103, 368 Craig Street in East Ellijay. **The temporary office will open on Tuesday, January 2.** Office hours will be 10:30 am - 6:30 pm, M-F. The telephone numbers and email addresses for the association office will remain unchanged.

10:30am - 6:30pm M-F

Federal Express, UPS and DHL package delivery will be transferred to the temporary location as well. While the office manager will attempt to notify residents when packages have been delivered and are available for pick up, residents are encouraged to track the delivery of expected deliveries through the various carriers' online services.

The bridge and office gate may be closed periodically to accommodate the renovation, but access to the mail house should not be interrupted. Specific information regarding bridge and gate closures will be posted on the website and sent to residents by email in advance of the closures. **If you wish to receive these notices, please make sure your current email address is on file at the office.** Blackberry residents should use the Timber Falls Trail entrance during these closures. Please notify your guests and service personnel about these closures and detours.

Road Clean-Up

Tree services and landscapers will be removing debris caused by the recent snow storm. Please use extra caution when the work crews are present. Email and website notification will be given in advance of all of these clean-ups.

Happy Holidays

Merry Christmas and Happy New Year to you, your family and loved ones. May your holidays be filled with warmth, comfort and good cheer.
